### **Space and Naval Warfare Systems Center Awards Contract**

CHARLESTON, S.C. — ManTech Support Technology, Inc., Fairfax, Virginia is being awarded an estimated \$78,682,680 Indefinite Delivery, Indefinite Quantity, Cost-Plus-Fixed-Fee multiple award type contract for shore site and surface ship communications, intelligence, cryptologic and electronic warfare systems installation and technical support services. Specific efforts include equipment acquisition, consolidated installation, system/equipment modification, test and checkout, equipment management and logistics support, systems training, and documentation preparation for secure and non-secure electronic systems & subsystems. This contract includes options which, if exercised, would bring the estimated cumulative value of this contract to \$448,813,472. Work will be performed in Norfolk (48%); Charleston (29%); San Diego (10%); Mayport, Florida (9%), and other locations worldwide (4%) and is expected to be completed by November 2001. If all options are exercised, the period of performance will continue through November 2005. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured through the Space and Naval Warfare Systems Command electronic commerce web site and Commerce Business Daily, with three offers received. This award is one of three contracts awarded under Solicitation No. N65236-99-R-0568. The Space and Naval Warfare Systems Center Charleston is the contracting activity (N65236-01-D-3820).
